Albert J. Hamann, Iowa Shorthorn Breeders' Assn.

Lyle Haring, Iowa Beef Producers Assn.

Auctioneer: J. E. Halsey, Des Moines

ALBERT J. HAMANN, Sale Manager
Rock Rapids, Iowa

General Information

LOCATION—The sale will be held in the modern heated sale pavilion on the Osceola County Fair Grounds just three blocks west of the main intersection in Sibley, Iowa. Sibley is at the junction of Highways 9 and 33, and excellent paved and graveled roads run in all directions. It is on the main line of the Chicago and Northwestern Railroad.

TIME—The sale will start at 12:30 p. m. on Tuesday, January 8, 1952.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a 60 day retest for tuberculosis. Health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed he may be returned to the seller if in as good condition as when sold; if, after a test in the seller's herd he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

Any claims for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalogue they were furnished by the consignors or written from information supplied by the consignor.

MAIL BIDS—Mail or wire bids may be sent to: Clinton K. Tomson, Secretary American Shorthorn Breeders' Assn., Chicago, Ill., Mervin F. Aegerter, Seward, Neb., Clem Larson, Callender, Ia., Thos. W. Sherlock, Wallaces Farmer & Iowa Homestead, Des Moines, Iowa, Albert J. Hamann, Rock Rapids, Iowa, or to the auctioneer, J. E. Halsey, Box 1317, Des Moines, Iowa.

Our Invitation

The Officers and Directors of the Tri-State Shorthorn Breeders Assn., again extend their invitation to all those interested in good Shorthorn cattle, to attend the Twelfth Annual Show and Sale at Sibley, Iowa, on Tuesday, January 8, 1952.

This entire twelfth offering has been individually inspected by the Sale management, and the consignors have co-operated by offering cattle that were as good and better than previous offerings.

Tri-State Breeders realize and accept this responsibility as each year more new buyers come from a considerable distance to select their herd bulls and select good producing females.

Nearly 800 good Shorthorns have been sold over an area of twelve states the last eleven years.

We point with pride to the fact as pointed out in our advertising that 30 lots in this year's offerings are sired by 14 different bulls that have sired cattle which have sold from \$1,000.00 to \$5,000.00. Truly, you are buying prestige when you buy half brothers and sisters to this kind of cattle.

We honestly believe this is Tri-State's finest offering with more good headed herd bulls and young foundation females than ever before.

The Tri-State Association appreciates the co-operation of the Sibley Chamber of Commerce again this year in presenting this prominent annual regional event.

Come to Sibley Tuesday, January 8. See a top breeder judge a good show, and buy the kind of cattle that will appeal to you.

Albert J. Hamann
Secretary-Manager

TRI-STATE SHORTHORN BREEDERS' ASSOCIATION

President — R. D. Arthur, Spirit Lake, Iowa.

Vice President — Geo. A. Helmers, Sibley, Iowa.

MERDALE CONTROL MERCURY—A massive white bull with a great head, front and a world of natural flesh, with as sound a set of sturdy straight legs as you will find. Originally retained for herd use, many offers have been turned down the past year. Were it not for the herd being sold he would not be for sale. Two full brothers and a full sister were sale toppers. Sired by one of Imp. Calrossie Mercury's best sons and out of a very good granddaughter of the famous Browndale Count, his pedigree contains the best in Shorthorns. Those who can use a white bull should travel far to see this bull.

Newallyn Orange Blossom
2070701
Red, Harry A. Newman

ORANGE BLOSSOM—A rugged, heavy boned bull with a good head and exceptionally thick rear quarters. He has what it takes to make "Shorthorns best in every weigh." His pedigree represents the blending of the bloodlines of such famous sires as the Perth Champion, Millhills Ransom, Imp. Collynie Royal Barrage, Imp. Montgomery and Imp. Calrossie Goldfinder.

BRAEBOURNE HARMONY—Is the best bull we have ever produced and we were very much tempted to keep him for our own herd. He is a full brother to Braebourne Eldorado sold in the Swanson sale last year to Oscar Megard & Sons, Sherman, South Dakota, for \$825.00 as a ten months old calf. A half brother was reserve champion at the Pacific International at Portland, and grand champion bull of the 1951 Inland Empire Show and Sale at Spokane, selling for \$1825.00 to Milton Ensley, Jr., Colfax, Washington. A half sister was Champion sale female at the 1951 Omaha National Show. This is a great herd bull prospect. His breeding is the best and as an individual he will please the most critical. This bull is thick, deep, heavy boned, very lowset and has a most pleasing head. It is unfortunate that we were unable to obtain a photo for this catalog.

MERDALE CLIPPER MERCURY—This March calf is one of the best productions in the long history of the Palmer herd. Good headed, thick, burly, short legged, heavy boned, well coupled, and nicely turned, this is really a great prospect. It was not the original intention to sell him at this time or a photograph would certainly have been taken of this bull. His sire can well stand on his record and his dam is an ideal medium sized cow that everyone likes. Study his pedigree carefully. Where will you find more great bulls in one pedigree? This great solid red calf should suit the most critical.

SUPREME CLARET 3d—A very deep, short-legged Junior heifer with a close concentration of the best Goldfinder breeding. Her dam is an own daughter of the great Supreme Goldfinder, and her sire was the undefeated Senior yearling at all the 1947 major shows and who sired the first prize summer yearling at the 1950 International. Here is a very valuable little heifer.
